1. The percentage system: Above 60 is passing, 100 is full mark;

2. Five degree grading: Excellent(A), Good(B), Fair(C), Passing(D), Failed(E);

3. Two degree grading: Passing(P), Failed(F).

4 Courses identified with * are those which are transferred from partner universities and keep their original records

Dean, Undergraduate School:

This letter is to certify that

LIN Hangzheng,

Male, with birthdate 12/23/1998 is student from Zhejiang a University/University of Illinois at Urbana-Champaign Institute in China. Institute, led and managed jointly by both universities, conducts joint engineering undergraduate programs on the Zhejiang University International Campus in Haining, China. Upon successful completion of a program, including meeting degree requirements of both universities, the student will receive two bachelor's degrees, as listed below. Students will be issued a transcript from Zhejiang University to report a portion of their coursework, and a separate transcript from the University of Illinois at Urbana-Champaign to report a portion of their coursework. Both transcripts must be considered together to reflect a student's complete program. Questions about transcript format or content can be directed to Qiang Lu in the Institute academic affairs office, Haining, at glu66@intl.zju.edu.cn, +86 (571) 8757-2506, or to Katherine Freeman in the Institute program office in Urbana at katefree@illinois.edu, +1 (217) 333-7057.

Mr. Lin is expected to graduate in June 2021 with a Bachelor of Engineering degree in Electronics and Computer Engineering from Zhejiang University and a Bachelor of Science degree in Computer Engineering from the University of Illinois at Urbana-Champaign.

Zhejiang University/University of Illinois at Urbana-Champaign Institute
